

From Misfit to Multi-Millionaire

JONATHAN LOW

A portrait of Jonathan Low, a man with dark hair and glasses, wearing a grey blazer over a white shirt. He is holding his right hand near his face, with his index finger pointing upwards. The background is dark with a subtle, swirling pattern in shades of brown and gold.

8-Figure Tech Entrepreneur | Global Mindset Speaker | Author

WHO AM I?

I DON'T JUST TELL STORIES.
I LIVE PROOF THAT
REINVENTION IS POSSIBLE.

- CEO of **Biptap**, the world's first **Omni Bank** – called the Airbnb of Banking
- Featured in **Forbes 40 Under 40 for Tech & Innovation**
- Knight of Malta. Diplomat. Global Connector.
- Author of *The Rebirth Blueprint*

"I help entrepreneurs and founders break through their limits and create unstoppable momentum".

I WASN'T BORN SUCCESSFUL.

- I led gangs.
- I spiraled into addiction.
- I went to prison.
- I lost, everything

But I refused to let my story end there.
Through grit, faith, and relentless action—
I built an 8-figure tech empire. All in 4 years
I transformed my pain into purpose. Turned chaos, into peace
And now, I stand on stages worldwide to prove one thing:

IF I CAN RISE FROM THE ASHES, SO CAN YOU.

MY **UNIQUE** ADVANTAGE

MOST SPEAKERS TALK **ABOUT THEORY.**
I TALK ABOUT **TRANSFORMATION.**

- I've lived the lows most fear.
- I walk the talk, and i built from literally ground zero with no connections no help and no experience
- I've built what most call impossible.
- I've walked the path founders dream of but get stuck halfway.
- I've been in places most only dreamed about, all because of 1 thing, mindset

That's why entrepreneurs book me:
I cut through noise.
I show them the blueprint.
And I give them the fire to move.

MY AUDIENCE

I SPEAK DIRECTLY TO:

- Entrepreneurs stuck in self-doubt, fear, and hesitation
- Founders who have ideas but lack clarity and execution
- Leaders chasing growth but battling burnout and limiting beliefs

They don't need another motivational talk.
They need a **rebirth**.
That's what I deliver.

 Rebirth

THE REBIRTH BLUEPRINT

How to reinvent yourself, no matter how far you've fallen.

FUTURE OF FINANCE

What Omni Banking means for entrepreneurs, investors, and the world.

THE FOUNDER'S MINDSET

The power of delusion, discipline, and scaling without limits.

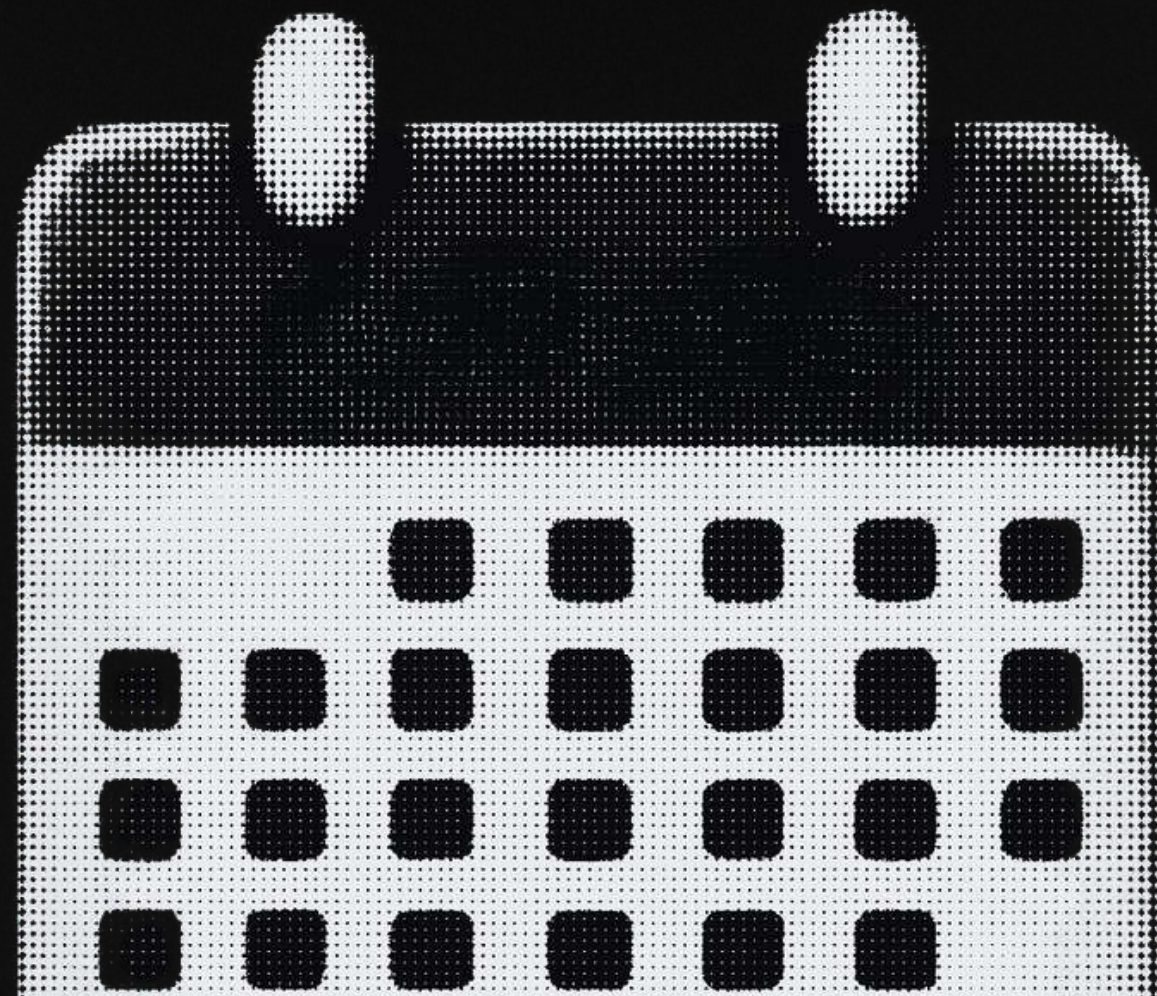

FAITH & GRIT

How purpose fuels resilience and makes success inevitable.

TESTIMONIALS / IMPACT

**SINTIJA
RIMSA**

“What I appreciate most about **Jonathan** is his grit, his always-evolving nature, and the patience he has to keep learning. He’s not just doing things for image — I truly feel it’s in his nature to do good, both for people and society. A few years back, he wasn’t even ready to talk about the tougher parts of his past, but watching him grow, face that darkness, and now use it to guide and mentor other men — that alone says everything.”

**JARRETT
GOH**

Jonathan didn't just give advice, he onboarded me into his own businesses, handing an inexperienced kid opportunities that simply did not exist anywhere else. First he placed me in his marketing agency as a junior creator, insisting that I learn the craft from the ground up. Once I found my footing, he pushed me to lead the entire marketing team, forcing me to develop real leadership instincts instead of hiding behind tasks.

DARRYL NG

I met **Jonathan** for a meal, and it’s life changing. The way he narrates his ups and downs of his life, was real, raw & unfiltered (backed with real images and videos). He shared with me his journey as real as it gets and it inspired me 3 things:

1. Whatever you really want, you go grab it.
Back then his gangster mindset really gave him the power to have massive success at 21, protected him during his jail terms from other Thai gangsters & even empowered him to start his current company Biptap.

MOGAIL

I've known **Jonathan** for over 5 years now and had multiple personal conversations with him. Watching his journey taught me a lot, but it was those real, unfiltered moments that left a lasting mark.

One story he shared stuck with me. When he first started, he had one product, put in the same grind as everyone else, but for two years, he networked like crazy. Flying around, showing up at every event, meeting people non-stop. Eventually, he met the right investor who believed in what he believed, and that changed everything.

LOOKING FOR A **KEYNOTE** **SPEAKER** THAT:

BREAKS YOUR **AUDIENCE**
OUT OF THEIR LIMITS?

INSPIRES THEM TO TAKE
BOLD, UNSTOPPABLE
ACTION?

LEAVES THEM
TRANSFORMED LONG AFTER
THE LIGHTS GO DOWN?

BOOK JONATHAN LOW.
